Hello Lon,

I just wanted to check with you about your willingness to conduct a presentation at DEC's public workshop on human health criteria. I set aside ~45 minutes based on my review of the enclosed presentation you provided to ID.

I know that you're incredibly busy and don't want to task you with anything else. Sign ups are pretty slow but I imagine things will pick up in the next week or so.

FYI- Heard great feedback from the TWG about your participation. Thought you would appreciate knowing that- especially in light of the controversy in WA/ID right now.

Thanks,
